Would You Like to Be a Strong, Husky, Manly Fellow Once More? New Method Without Drugs

The attached coupon entitles you to one illustrated copy of my pocket compendium and guide for the self-restoration of lost strength. (See description below.) Upon hearing from you, this valuable little book of private information for men will be sent by return mail in plain. sealed envelope. Please call or write loodsy. be sent by return man in plant, sealed envelope. Please call or write today.

There is a new and marvelous method for restoring lost maniy strength, for renewing vigor, which every man should know of a self-restorer which operates without the use of drugs or medicine, a new way to treat yourself for your ills and weaknesses. See description below.

Please remember that a man is not one day older than he actually feels, and therefore no matter what your age, if you are young or elderiy, married or single, large or small, if I can show you, reader, how your system, nerves and blood the very nerve force or vizor which may have been drained away, and which is necessary to make you strong, vigorous and capable again, then I have shown you the real secret of perpetual strength, and how you can again be filled with vigor, and again be inst as powerful in your influence and just as thoroughly manly in your capacity as the biggest, fullest blooded, most successful fellow of your acquaintance.

The new self-treatment for the retriefer show, is a little light weight.

MANLY MEN RULE THE WORLD.

your acquaintance.

The new self-treatment for the restoration of manly strength to which I refer above, is a little light-weight VITALIZING Appliance of my invention, which is now meeting with a tremendous demand, and being used by men everywhere all over the world. This little VITALIZER, weighing only several ounces, is comfortably buckled on the body and worn all night. It is so small and so compact that even a roommate would not suspect that you were wearing it. If, however, this VITALIZER is small in size, it is not small in power, for it generates a great tangible FORGE, which can be measured on scientific instruments a POWER which I call VIGOR or NERVE ENERGY, and it sends this marvelous FORCE into your blood, organs and nerves while you sleep. All you have to do is to lead a decent, manly man's life, free from excesses and dissipation, then use the VITALIZER, nothing more. If this is followed out and the VITALIZER does for you what these others say it does for them, then all the pain or weakness will disappear from the small of your back—possibly from the first light's use—and you will be restored to a strong, vigorous manly, capable man, without a single ache, pain or weakness. Please remember. I am not asking you to buy one of these VITALIZERS, but merely request you to first send for the free book described below, a section of which is devoted to an explanation of this VITALIZER, and gives you its whole by men everywhere are saying about it.
